of Rs 30 from the Distt funds but no grant from the State funds was sanctioned (vide G.O No 9950-1 [&B 178-11-6 dt 25/6/12).

The Dy Comr now states that if a grant of Rs 60 p.m. is not sanctioned, the School will have to be closed.

The case has been fully discussed in the previous files put up. The Dy Comr does not expect any private contributions to continue to any appreciable extent, and says the School will have to be closed unless Govt decide to contribute almost the whole of the expenses, amtg to Rs 60/- per mensem. Govt have decided that this can not be done.

S I R,

With reference to Government Proceedings No 8950-1/Edn 282-11-2 dated 25th May 1912, sanctioning a grant-in-aid of Rs 15/- per mensem to the weaving school at Chitaldrug with effect from 1st July 1912, received with letter No 10220/114 dated 20th instant from the Inspector General of Education I have the honor to state that as only Rs 15 a month altogether has now been sanctioned and as the contribution from District Funds recommended towards the maintenance of the school has been disallowed (vide Government Order No 9950/L B 178-11-6 dated 25th June 1912) it will be not be possible to maintain the school out of the said sum of Rs 15/- which hardly covers the pay of any competent technical teachers The Molakalmuru weaving maistry whose pay is met from Educational grants and whose services had been retained at Chitaldrug for the last one year to impart instructions to the students of the Institution, has been ordered to go back to Molakalmuru on 1st July 1912, so that arrangements have to be made to procure the services of an efficient teacher Further, to keep the school in working order, certain materials will have to be purchased every month, for which there is no provision The amount contributed by private persons towards the maintenance of the school is gradullay lessening owing

to the prevailing high prices of food stuffs etc and there is not much to be expected in that direction The institution was started a year and half ago by the personal exertions of Mr Tirumala Char the Deputy Inspector of schools and as already reported in my letter No 483 dated 24th May 1912, it has been useful and its establishment on a permanent basis is contemplated in the technical Education scheme before Government It behoves the benign Government it seems to me to support the efforts of their Educational Officer of the status of Mr Tirumala Char and of the public as represented by the District Board (Vide my letter No 483 dated 24th May 1912 quoted above) in the matter of the spread of technical Education in this backward District, by sanctioning funds requisite for the efficient maintenance of the institution It would be a matter for great regret that an institution which has been in existence for over a year and which is likely to increase in usefulness, should have to be shut down for want of funds required for its maintenance

2 The amount promised by the District Board is not in my opinion beyond its means

3 I therefore take this opportunity of placing these facts once again before Government so that they may either grant sufficient funds for continuing the school or definitely decide to close it as nothing useful can be attempted with Rs 15 a month

4 Either a grant of Rs 60 a month from Government or a grant of the same amount partly from Government and partly from the District Board, is the minimum grant with which the school can be kept up

I have the honor to be,

S I R

K Chandy

Copy of docket No 680 dated 30th June 1912 from the Deputy Inspector of Schools Chitaldrug to the Deputy Commissiorer Chitaldrug District

---------- -------- o ----------

With reference to his docket No 1878 of the 24/25th April last forwarding a copy of Inspector General's letter-- No 8019/100 dated 15-4-1912 intimating that Rs 50/- has been recommended to Government as a grant-in-aid for the Chitaldrug Weaving School has the honor to state that the Inspector General in his docket No 9803/1284 of the 12th instt intimates that Government in their order No 8950-1/Edn 282-11-2 of 25-5-1912 have sanctioned Rs 15/- as a grant-in-aid to the Weaving School Chitaldrug with effect from 1st July 1912 The amount sanctioned is too small to meet the establishment charges of the institution and it is not possible to appoint qualified men as working hands in the school without which the school cannot show improvement and become popular Even the grant-in-aid of Rs 30/- promised by the District Board is insufficient to meet the charges The undersigned therefore requests the Deputy Commissioner to kindly move the Board to sanction at least Rs 50/- per mensem for the Weaving School
